Notes about the clinic schedules-

1. The day to day schedules are all in amion.com
2. Any questions should be directed towards Joe Chavez Carey (pager- 679, email- jcarey@ccfamilymed.com)
3. If the location has a number in parenthesis in front of the location (e.g. see “chronic renal” above), that means that the clinic only meets on that day of each month (e.g. chronic renal- (3)PHC means that that clinic meets on the 3<sup>rd</sup> Wed AM of the calendar month). The actual dates you should attend the clinic will be reflected in amion.com.
4. The phone number listed is for the nurse’s station. If you will not be in attendance or to check if the clinic is still happening, you can call that number at the start of the clinic. You can also check with the clinic attending (in parenthesis next to clinic name) at beginning of the rotation.
5. Please use the learning objectives to encourage and guide clinical teaching.
6. Reading time and community medicine time is elective time for you to read or work on your projects.
